2 bathrooms, which is very practical for families or to entertain guests.
Equipped kitchen, an advantage as it avoids the initial cost of purchasing appliances.
Living room with balcony, ideal for those who like to have an outdoor space.
Private parking space in a closed garage, a very positive point, especially in more urban areas where parking can be limited.

Storage room, a nice extra for storage.

The location is very convenient and advantageous, with easy access to services and the highway, which is great for those who need to move regularly and on foot with all services right at the door.

If you are interested in this property for your own residence or even as a rental investment, here is a solid opportunity, as properties in this area tend to be well valued, and the demand for rent in São Martinho is generally high, given the proximity to Funchal and its good infrastructures and amenities.

You pay 43 € for condominium.
